Debasis Panda

Software Engineering Specialist at Hitachi Vantara
Hyderabad, Telangana, India

Summary

Programmer | Traveller | Photographer | Foodie

10+ years of total experience in software development where I use different programming languages like HTML, CSS, JavaScript, TypeScript, Python etc.

With strong development skills, I can contribute as a fullstack developer and have worked on different domain products like automobile, telecom etc. Hold good experience in developing highly scalable applications using microservice architecture. Proven as a good and quick learner by adapting to different technologies.

Love to travel the world, explore new places and try different food. Keep interests on travel blogs, learning new technology, photography, road trips. Bike and cars have been my weakness.

My Top Skills:

HTML, CSS, JavaScript, TypeScript, Angular, React, NodeJS,
Webpack, SASS, Jasmine, Protractor.
Docker, Python, MongoDB, Postgres, ReactJS, ExpressJS, GIT,
CICD.

Experience
